

Twille woven fabric, excellent windproof properties, water repellent, microfiber yarn, ecombines the requirements of sports with a fashionable look, equally ideally suited for outerwear-mountain cloths as well as biking to the office, as well as for golf or completing the business outfit, well used for men short. The textured surface enhances its technical performances. It is quick dry, breathable, abrasion resistant, very light, sun-block, easy care, no curling and rigid. It can be bonded and taped, as well as added finishings like antibacterial properties. Color card 65.
