

The heaviest fabric of the Dolly family, with 247 gr/sqm. It is a monoelastic satin with high yarn concentration, it is breathable, smooth and thin. In lingerie is a supershape fabric, "modeling" with a lot of recover force. It can be used double-face and is very stylish. Thanks to these features it is also used in both women's and men's clothing, for example, in tuxedos. Color card 61.
